

United Mangolia

United Mangolia

1. These 3 regions will function as regions with regional governments in the Federation of United Mangolia that will be an economically and politically sovereign nation.
2. As far as possible all provinces of each region will be made economically independent through local economic, education and ecological planning in consultation.
3. Cultural development will involve collecting folk literature, songs from all dialects in order to enrich the standard language. Gradually the original Mongolian Script will become the standard script.
4. All control of the economy by outside capitalists will be ended. Political imperialism and control by neighbouring countries will come to an end. Cultural imperialism by the Chinese language will end.
5. All Chinese origin citizens who accept Mongol language and culture and who keep their wealth inside Mangolia will be accepted as Mangolian citizens.
6. Traditional collective social life will be revived in the form of various cooperatives. Networks of local cooperatives will be in sovereign control over the economy. The goal will be to make Mangolia - One Land, One Humanity, One Family.
