Yettisharstan

بىز ئۇيغۇر

Yettisharstan:

1. This shall be a politically and economically sovereign nation free from interference of any neighbouring nation
2. As far as possible each prefecture is to be economically independent
3. All people are to be guaranteed economic rights, political freedom and local control over the local media.
4. All people shall have freedom to practice, renounce or adopt any religion and the state shall not interfere with any law-abiding religious organization
5. The spirit of Ishq-eansanayət or Neo-Humanism will be the heart of national life.
6. As far as possible this republic shall work to form an association of Central Asian Republics for coordinated economic development
